TEXAS US SENATORS

OUR PRIORITIES

Wilco Indivisible, like Indivisible chapters around the country, has the following purposes:

1. **Resist Trump's agenda.** We believe Trump's agenda is racist, authoritarian, and corrupt, and must be stopped.
2. **Focus on local, defensive congressional advocacy.** We demand that our own local Members of Congress serve as our voice in Washington, D.C.
3. **Embrace progressive values.** We model inclusion, respect, and fairness in all of our actions.

As a group we have decided that our top priorities are fighting for Women's Rights, Health Care, and Voting Rights (including working to undo gerrymandering). Our actions reflect these priorities at the county (Williamson), state (Texas), and federal level.

Where is Congressman John Carter?

- John Carter does not want to listen to his constituents.
- He hasn't held a town hall or other public meeting in years and has no plans to do so, citing security concerns such as the Gabby Giffords shooting.
- He only holds teleconference town halls, which do not allow for meaningful dialog.
- He declined Wilco Indivisible's request to attend a local town hall event in February that more than 300 constituents attended.
- His staffers originally agreed to accept appointments to meet with small groups of constituents to hear their concerns.
- After a cordial initial meeting, the staff is now refusing to make further appointments and will not talk to anyone who arrives in person.
- **John Carter works for us, and we have the right to be heard!**
